Colonel Louis J. Fortier, FA
Director, Intelligence Division
Armed Forces Staff College
Norfolk 11, Virginia

Dear Louis:

Thank you very much for your kind note of 8 September. I hope that things went all right on the speech and please don't even think about the first part of the entertainment. Jack and I enjoyed our visit very much, and my one regret is that I could not have stayed down there longer.

When you are coming up to Washington, be sure to let me know. Janie joins me in best wishes to Solidelle and yourself.

Sincerely,

a/ *v. L. H. H. 11 1947*
